

Monster Day is coming back to downtown Greeley Saturday August 17, 2019. This family-friendly celebration of all things “monster!” features dozens of creatures from our own famous monster-makers, Distortions Unlimited, including the Greeley Gremlin, music, entertainment, face painting, costume contests, demonstrations, and more. Monster Day wouldn't be complete without live monsters roaming about! Estimated 2018 attendees: 8,000

As a collaboration between Greeley Unexpected, The Downtown Development Authority and Visit Greeley, this non-profit event is meant to showcase Greeley as the fabulous and unique community it is!

Our sponsors are the only way an event like this is possible!!!

(All proceeds go to ‘Don't Be A Monster’ a local anti-bullying non-profit organization)
