

Monster Day is coming back to Downtown Greeley on **Saturday, August 23rd, 2025 from 12-5pm**. This family-friendly celebration of all things “monster” is the crazy brainchild of the monster makers at Distortions Unlimited and features dozens of their creations on display, a live monster painting performance, music & entertainment, face painting, a costume contest, demonstrations, and live monsters roaming about!

(Estimated 2024 Monster Day attendees: 8,000+)

A collaboration between Distortions Unlimited, The Downtown Development Authority, and a committee of dedicated albeit slightly twisted minds, this non-profit event has become a major tourist attraction and Greeley showcase!

(A portion of the proceeds from the event go to ‘Don’t Be A Monster’ a local anti-bullying non-profit organization)

Our sponsors are the only way an event like this is possible!!!
